

Dear Primary parents,

As you may be aware, yesterday the Turkish Ministry of Education provided new information regarding school operations as of **September 21st**, for the following 3 weeks. While further details and specifics are still forthcoming, at this stage we can confirm the following:

EY 3/4 and EY 5 students will continue with on-campus learning full time

Grade 1 students will attend on-campus learning one day in the week of **September 21st**, and two days in the weeks of **September 28th** and **October 5th**. The balance of those weeks will be in distance learning.

Grades 2-6 will continue in distance learning full time

We are working now to clarify the details of these 3 weeks for Grade 1 classes, and will provide those specifics to all Grade 1 families by the middle of next week.

A more detailed Primary parent newsletter will be shared with all parents next week. Please note this will be the last all-parent communication through email, as all PLT communications will be sent out to parents through Seesaw from now on.

If you have any questions or comments, please reach out to me directly at any time.

Rob Grantham
Primary Principal
